106.2 State allocation of expenditures incurred by authorized committees of Presidential primary candidates receiving matching funds.

106.3 Allocation of expenses between campaign and non-campaign related travel.

106.4 Allocation of polling expenses.

106.5 Allocation of expenses between federal and non-federal activities by party committees.

106.6 Allocation of expenses between federal and non-federal activities by separate segregated funds and nonconnected committees.

AUTHORITY: 2 U.S.C. 438(a)(8), 441a(b), 441a(g).

§ 106.1 Allocation of expenses between candidates.

(a) *General rule.* (1) Expenditures, including in-kind contributions, independent expenditures, and coordinated expenditures made on behalf of more

than one clearly identified federal candidate shall be attributed to each such candidate according to the benefit reasonably expected to be derived. For example, in the case of a publication or broadcast communication, the attribution shall be determined by the proportion of space or time devoted to each candidate as compared to the total space or time devoted to all candidates. In the case of a fundraising program or event where funds are collected by one committee for more than one clearly identified candidate, the attribution shall be determined by the proportion of funds received by each candidate as compared to the total receipts by all candidates. These methods shall also be used to allocate payments involving both expenditures on behalf of one or more clearly identified federal candidates and disbursements on behalf of one or more clearly identified non-federal candidates.

(2) An expenditure made on behalf of more than one clearly identified federal candidate shall be reported pursuant to 11 CFR 104.10(a). A payment that also includes amounts attributable to one or more non-federal candidates, and that is made by a political committee with separate federal and non-federal accounts, shall be made according to the procedures set forth in 11 CFR 106.5(g) or 106.6(e), as appropriate, but shall be reported pursuant to 11 CFR 104.10(a).

(b) An authorized expenditure made by a candidate or political committee on behalf of another candidate shall be reported as a contribution in-kind (transfer) to the candidate on whose behalf the expenditure was made, except that expenditures made by party committees pursuant to §110.7 need only be reported as an expenditure.

(c) *Exceptions:*

(1) Expenditures for rent, personnel, overhead, general administrative, fundraising, and other day-to-day costs of political committees need not be attributed to individual candidates, unless these expenditures are made on behalf of a clearly identified candidate and the expenditure can be directly attributed to that candidate.

(2) Expenditures for educational campaign seminars, for training of campaign workers, and for registration or

get-out-the-vote drives of committees need not be attributed to individual candidates unless these expenditures are made on behalf of a clearly identified candidate, and the expenditure can be directly attributed to that candidate.

(3) Payments made for the cost of certain voter registration and get-out-the-vote activities conducted by State or local party organizations on behalf of any Presidential or Vice-Presidential candidate(s) are exempt from the definition of a contribution or an expenditure under 11 CFR 100.7(b)(17) and 100.8(b)(18). If the State or local party organization includes references to any candidate(s) seeking nomination or election to the House of Representatives or Senate of the United States the portion of the cost of such activities allocable to such candidate(s) shall be considered a contribution to or an expenditure on behalf of such candidate(s), unless such reference is incidental to the overall activity. If such reference is incidental to the overall activity, such costs shall not be considered a contribution to or expenditure on behalf of any candidate(s).

(d) For purposes of this section, *clearly identified* shall have the same meaning as set forth at 11 CFR 100.17.

(e) Party committees, separate segregated funds, and nonconnected committees that make disbursements for administrative expenses, fundraising, exempt activities, or generic voter drives in connection with both federal and non-federal elections shall allocate their expenses in accordance with §106.5 or §106.6, as appropriate.
